

# CARGO CARNIVAL!

**11am - 2pm, 22 September**  
**Lammas Land, Newnham Rd**

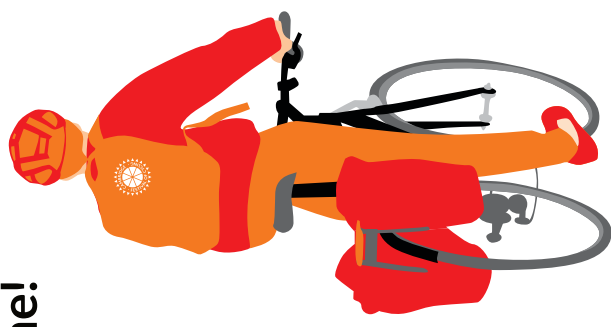

**Roll up, roll up, for the stupendous, amazing, incredible Cargo Carnival!**

Join our happy parade of cyclists as we show the city of Cambridge what can be carried by cycle – from children to carpentry tools and pizza to puppies! Any kind of cycle is welcome, as long as it carries something or someone!

Meet at 11am at Lammas Land, for a short parade around the city before returning for our small festival of cargo cycle traders and cargo bike specialists.

There will be all kinds of cycles to try, and all kinds of foods and services to purchase - all provided by cargo cycle!

If you're a trader and you'd like to be involved, it's not too late! Contact Camcycle via our website.
